Hi Jenny, how's the experience going? I know you're traveling and all that
jazz and I'm just a bit jealous. I'm traveling when I can but you know
school really cuts down on our time to do that. I know this will be an
experience you will always treasure and I'm proud of you. I really think
everyone needs to just get away from home to get that independence and find
out who they are. I've changed so much for the better here too with these
new experiences. I'll explain when we can talk over the phone or in person.
It will be great to see you again and hope you're having fun and doing well.

Patrick

Let me know when you know the dates of your trip back here to MN. Don't
forget about the Pictures !
