```
Jenna,

Hey, how's it going?  I figured you where traveling, i've been too for
a little while.

I will be here Sunday.  I may be hanging out with Chris, this boy i've
started seeing a few weeks ago.

Would love to see ya sometime.  I know i won't be going to nuts on
Sunday night because i have a job on Monday am.
I have to stop going out drinking before i have jobs the next day!   (i
did that last night).  Mattheiu and Micah broke up,
so i now have my little trouble maker roommate back!  Yeay!

We went to Starlight for a bit a few nights ago.  I can't imagine
having a better time than the last, so it's sort of weird
to go there now.  The people where not that pretty that night.

Superstitious about what?

Give me a ring when you like and we can get together sometime either on
Sunday or probably better during the week.

What have you been up to?

Hugs and kisses,   ;-)

███████
