Right then, my programme.

I arrive on the 9th around lunchtime. I have a supper to go to at around 1900 but will be free prior to that. I am staying with the British Consul that night.

I have a full day of meetings on 10th in New York and then I fly up to Boston for the night and most of the next day.

I will be free when I get back to New York on the evening of the 11th and would dearly love a bed for the night somewhere prior to taking off to Nassau on the 12th, Thursday. I am going via Miami.

I will have a staff with me, but they go back from Boston on 11th when I come back to New York.

Look forward to hearing from you.
