Dear G - Yes, have rung Kate re matching the paint - am waiting for her to get back to me. Katie Braine rang to say that she has your bronze and that she thinks we owe her £500 for it. I have checked our records and the last payment we made to her was February last year for the other bronze. Shall I get Ray to collect it from her and take her the money (she wants cash). Hope you are happy and well Love Kxxx
