Dear Ms. Maxwell:

Hope you had a great Holiday! Here is the 727 status:

1. The office chair along with lots of foam, cutting tools and samples of the desk top, bulkhead fabric, wood, and carpet have been taken to Patrick at El Brillo for Mr. Epstein to work with.
2. An exotic hide source has been located and we are obtaining samples of Alligator for viewing.
3. Towel rods have been installed in aft Lavatory, replacement sink installed.
4. Book shelf speakers, and sub-woofer have been relocated into office bulkheads.
5. Forward salon forward bookshelf speakers have been relocated into bulkheads. Aft speakers have been repositioned to the floor behind the divan and chair.
6. Red office desk top is installed, still working with magnetic and electro magnetic paper weights.
7. Sound Experience visited to evaluate stereo amplifier in office, Larry V. working with Mr. Epstein to locate CD Player.

Sincerely: Larry M.
