Subject: Peruano in NY

Hola belleza !
I am going to a wedding in Salzburg, on the first days
of Feb and then thinking of going back through NY
around the 11th or 12th of Feb and stay there until the
16th. Would you be there ? ... since you came all the
way to South America and did not stop in Peru... you
have got to be there ! No longer can live without
seeing your face, ja !
Let me know.
