My darling,

I have had a very anxious telephone call from my sponsors in Michigan who are paying for my trip and return Journey to London. It is not fair on them to keep them waiting any longer.

So if you cannot answer me by return of mail when or if you can have me for 10 days or so either before 1st March or after 15 March, then I will take it that it is not convenient at that time and I will have them fly me directly to Philadelphia on Friday 28 February with return to London on Wednesday 12 March from Detroit.

So that my schedule will look like this:

Friday 28 February Fly from London to Philadelphia

Tuesday 4 March Fly from Philadelphia to New York at about 15.00

Sunday 9 March Fly from New York to Detroit

Wednesday 12 March Fly from Detroit to London

Unless I hear from you by Wednesday at the latest, this is what I shall email them.

With much love

maman
