A drink is just for fun and to make new friends. Zug as you explained is the.....place that looks like a Georgia Okeefe painting? When are you free?

I need to clarify your understanding of the meaning of Zug - I would be free for a drink but Zug is - if we are referring to the same is much more difficult

Ok, so I will try again. Maybe you and "Zug" want to get a drink or something some time?

That is because I did not receive your follow up e mail - maybe it is your computer that is having problems?

GM,
I met you many months

interesting conversation
about Zug. I saw a
recent photo of you in a

Do you remember the
conversation? Do you
remember that evening?
