Very excited about new york...thanks for asking me to speak.

Did you say you were coming to London that weekend and if so, when were you thinking of returning ? I would quite like to be in NY over the weekend and have a little chill out time....

The last plane back on Tuesday is at 2300 (I have to go BA) because I have to take my mother from my brother some time on Wednesday and I need to get to Hartlepool or Manchester to do this. Will dinner end in time for me to do this??

Much love
