Philip,

Thanks for the offer. I am glad to meet Jeffrey, but he should know we already have somebody else having made contact with us on behalf of the Limited regarding Sephora.

Toni,  
I have been asked to possibly set up an appointment between you and my friend Jeffrey Epstein. Jeffrey would like to meet with you in Paris regarding Sephora. Briefly, Jeffrey is a major financier and the financial advisor and representative for Leslie Wexner of The Limited. He will be in Paris next week and depending on your schedule he is available Tuesday-Thursday.  
Please let me know so I can relay info.

Thanks.
