Hi Ghislaine,

I called Peter to thank him for meeting with us today only to find he passed away two nights ago. I spoke with his wife, and she let me know where his wake was taking place tomorrow. It's at 2:30PM at Riverside Mortuary at 76th & Amsterdam. I feel terrible as I was just beginning to get to know him, and had a sense that he was reaching out. I'm glad you got to meet him.

Take care,

Scott
