Chiquitita, why don't you make some "urgent" need to go to London... por favor trata de ir.

I am going to Paris on the 28th of this month. Then most likely on the 30th I will go to London until the 3rd of April. Then we all (family) gather up in Paris, and from there we go to Venice. Back in Paris on the 7th again, and I will stay there until the 11th.

My phone numbers are :

PARIS : [REDACTED]  
LONDON: [REDACTED]
