Hi Ghislaine,

For some odd reason I did not feel comfortable going to the wake. Instead, I am going to write a letter to Peter's wife explaining how we met, and where we left off in our conversations. I think this is the appropriate thing to do under the circumstances. In the meantime, it may be a good idea to let me in on what you were thinking of in case the family contacts me.

I am still waiting on the ColorByte folks for your printer software, I will contact the office as soon as I get word it ships.

Take care,
