Tried to call, and you must be back to sleep. Hope you are. Call if you're up, if not call in the AM. Really want to talk to you.

Fell asleep, but just woke up as I forgot to switch my phone off. Am wide awake annoyingly so if it's a good time call me - [REDACTED] Don't worry, you won't wake me up if I manage to fall back to sleep as I'll switch the ringer off this time - It'll probably be right after the next chapter or 2 -
