301 Update:

1. DSL is working in 8C.
2. The TV & stereo are not working in 8C. I'd like Larry V to check them out before we buy new ones.
3. I took photos of all random items in all apts. that Freight Logistics will take next week.
4. I also took inventory of the storage rooms. We need to replenish various items. I will compile a list do that you can approve purchse.
