I apologize for not getting back to you. I've been travelling to the Bahamas and just got your message. I've been working out of an office (at the number above) at the foot of the the North Bridge and am fully booked tomorrow and Friday and it's difficult for me to make housecalls because I take appointments by the hour at the office. I'll be free next week if you are going to be in town.

\*\* End of Messag
