The cost of the custom pink carpet is \$58/sq. foot and would take 16 weeks for deliver plus an additional 7-10 business days if you wanted to alter the color. Cost of the carpet to cover the estimated 1506 sq feet would be \$87,348. This does not include Bonnie Benedek's 20% commission (which would come to \$17,469.6) and tax. Cost of installation is approx. \$35/sq. yard. Total cost of installation would be approx. \$5,845.
