That's fine, you have to do what you have to do and I don't want you changing your plans for me, let alone for a 4th time :) I'll know more later today, but we can just plan for now on me coming to you on or about that Thursday. Unless you have a better idea of somewhere we can/should go.

I just went through my schedule properly for next week - I can't leave/am not free until Thursday early afternoon - I forgot that I made several other appointments for that week thinking that I would be in town. Some of them I have rescheduled 3 times already (according to my secretary, who thinks I now resemble one of my brother's children, and believes that I have definitely fallen on my head - how could I possibly rescheduled all that stuff a fourth time???). + I have a dinner Wed night I cannot/should not cancel. So armed with this info let me know what you want to do, or what you want me to do.
