A service or someone else is fine. I'll pay, just wondered if you knew someone good or if I should go straight to a service.

Normie and Amanda called last night. He is confirming our reservations at the Capital June 5th THRU 6the 11th-departing on the 12th-that's when they leave for Paris. Soinds fine to me . You? He says their travel agent is too stressed out to deal with lining up a car and driver for us for the week. Could your gal arrange that. Ibbie and I loved the driver we had in Paris. We don't need a guide too , just a driver (English, not Arab, please>) I'll be happy to pay for that. We need a mini-van or something that would hold 6 people. Hope you will come along on some of our excursions (especially Blenheim-it's amazing-John Churchill defeated somebody at the battle of Blenheim in Germany. Queen Anne gave him 10,000 acres and made him Duke of Marlborough, and built him the largest private home in the world-bigger than Buck House. Much Churchill stuff there-he was born their- the 2nd son, so he never got the title, just like his father.
