You are kind and generous, that is possibly the only thing I can think you and mother theresa have in common. When I think of mother Theresa, I think of an old, wrinkled, woman. When I think of you I think smart, sexy, funny, vivacious, young, gorgeous, talented, adorable, cute, sweet, etc. etc. I don't think of any of those when I think of her, so she can't hold a candle to you....

I would say fuck Val, but wouldn't want you to think I meant that literally...

She will coordinate your Mum's trip, car, driver, hotels, planes, trains, restaurants, guides etc
She will wait for you to e mail her. She will confirm all billing stuff w/you - cars, herself, etc before booking it - I hope I don't live to regret putting the you two of you in touch, or having her do your Mum's trip -
Re me being a brat. Please feel free to pick up behind yourself at all times. I am not even going to distinguish you with a reply to the line about the 1 towel or panties I may inadvertently drop on the floor. As for the comparison w/Mother Theresa, if you can't see it then I can't help you - Val Kilmer saw it right away - bye the way, do we have time to meet up w/him in LA , or if you don't have time, just let me know when your meetings are on Thursday....
