Title: RE: Our wedding

Hi Ghislaine,

Yes, I am around this week and would love to see you.

Looking forward to seeing you.

Love,

Your wedding and honeymoon sound idyllic. I am so happy for you. I even went and checked out the photos - dam you look hot!

All is well in my life and w/Jeffrey's - as you know, nothing much changes with us - our rhythm, a little different from the rest of the world suits us perfectly.

I will be in London from Wednesday to Friday if you are around and have time for a drink - let me know

Kisses

Ghislaine
