Greetings

I have met with the agents representing the boat and they have agreed to reduce their commission to ensure that you receive the \$130000.00 as requested. The original bid offer was \$135000.00. The bidder will now start finalizing the deal knowing that he cannot have the boat until 1 December or earlier with you approval. Paper work will be produced by the agent and Darren will verify.

Trust that this is in order

Regards

Miles
