Title: This weekend

Hi Darling,
For some reason I cannot get through on the network I am on in CO to your cell.
I will arrive on Sunday morning from LA at sometime around 7 am.
I have not cancelled my hotel reservation yet because if you are not going to be in town it would probably be easier to use that as HQ rather than your home.
I will be back at my hotel in Denver around 1700 this eve but out to dinner. Give us a call to discuss the weekend plan.

Love you A xxx
