Greetings

Thanks you for the offer, it is appreciated.

Nikki applied for and received a work permit for the UK. She moved there in September. She is currently working at a salon in Holland Park. This arrangement is flexitime which leaves her time to do private massages, if required. She would like to pursue the private massages so it would be appreciated if you had any contacts for her. Nikki's telephone number is (from USVI)  
[REDACTED]

Thanks again for everything

Regards

Miles and Cathy

Greetings

During his last visit, Mr Epstein told Cathy and I to take a weeks break before the start of the holidays. Mr Epstein gave us the dates of 19 October to 27 October. He also is allowing us to visit our daughter who has relocated to London to work and study.

I have booked the tickets etc. Bruce will be on island during our leave.

Trust that this is in order. Many thanks for the opportunity to make sure Nikki is properly settled in.

Regards

Miles and Cathy
