The thought of you in a bikini definitely excites me. Could be fun, but I was possibly doing meetings in Nyc. Could be more fun than NY, but we'll see what works for us both. Going for a run now

Does it excite you in anyway to meet me in the Caribean, swim w/the dophins and then do to NY/Miami for the w/e - just a thought as I will be there Sunday and can either head back to NY or wait for you - I am easy either way
