As you know by my previous admission, I f I could have you I would never need another. But it seems as if I should bring a date...Name to follow.

You are of course my 'date', but you can bring another one aswell - I know how much you love threesomes :) Need a name as it is by invite only  
See you then

GM,

How flattered am I to be invited to yours for what I know will be a party to chic for the crowd in attendance. Do I have to come dressed as a helicopter pilot or just a known world leader? If I am not your date, do I bring one?

Excited,

Tony Brand
