Dear Gaislain: Great to talk with you this morning and I do look forward to having lunch drinks or dinner, next time I get to the City. Verify the best way to contact you and how many days in advance do you need. Since I am running my own business my time is flexible. My web site is as follows: [www.cognizantcommunication.com](http://www.cognizantcommunication.com) my email [REDACTED] my phone [REDACTED]

If you would care to come to Westchester and view the foliage let me know there are some great places to eat up here as well and we can tour the old neighborhood.

All the Best Bob
