Title: Trip to New York

Dear Ghislaine,

Just a quick note to let you know I am coming to NY the week commencing the 25<sup>th</sup> October and it would be wonderful if we could arrange to meet during my stay. Our progress with 21<sup>st</sup> Century Leaders has been significant since we last spoke, with distribution deals falling into place and artwork contributions arriving from everyone from HM King of Spain to Ozzy Osbourne!

I'm now ready for your help!! Would it be possible to meet to discuss Bill Clinton's, Prince Andrew's and Prince Albert's contribution?! I am sending you a new brochure in the post which shows all the artworks to date so you can see how far we have progressed.

Another favour I would like to ask of you relates to Kevin Huvane. When we met last year, you mentioned you knew Kevin. Would it be alright if we called him together, so that next time I am in LA, I can arrange that infamous lunch with him?! He is the key person down in LA and it would be so valuable if I could meet with him to chat about the project.

Hoping this email finds you and your family well and I really look forward to catching up with you in NY when I am there.

Love Charlotte
