G,  
Thanks so much for all your help. I will do my best.  
I desperately need the galley which Carole kindly offered to provide, but I don't know if she got my e-response. We're under the gun, time-wise, so I wonder if u cl ring her or give me her weekend number (I'm in Hamptons) so pub can messenger to NYC or fedex to Hamptons. Also need to meet w carole asap.

Thanks so much! Lunch next week? Again, I will try my very best-the excerpt is amazingly written-and will pass on photo info.

Have a lovely holiday,

Jeffrey x

Hi, just to let you know that Carole has sd that she looks forward to you writing the article for Tatler. She is going to send you an e mail so you can get together next week.

She is one of my closest friends so look after her - make her shine- her book it really amazing by the way - she'll get you a galley ASAP

I can take the pic for Tatler (I took her author pic for the book - seems taking pics of my freinds is my new career!) Ask Carole about my pics
