Subject: dear fairy godmother,

hi aunt ghislaine,

I hope you are well. I look forward to seeing you, when that might be however I'm not sure, I'll email you when im able to do something with you. As for my 'wish list' of "actresses id like to do nasty things to",

though not complete would probably look something like this
1-natalie portman (queen amidala of the new star wars)
2-possibly jennifer love hewitt
3-denise richards

...

as for things id like to do whether it be in london , new york, new mexico or the carribean,

not quite sure at all though i will look into it.
in new york, besides see the sites, possibly some theater or something of that sort,

anyway, ive got to run,

thankyou very much for offering all of these things,
all these things only add up to the reason i would be there , to see you.

your nephew,
