Sergey, I will be in NY then. I am having a buffet on the 9th after a screening for Renee Zelweggers new film (supposedly a romance comedy) - if you are around and that sounds fun you are most welcome to come to the screening and the buffet - shold be about 50 people coming. Ifn ot I hope you have some time so we can meet for a coffee - let me know what works

It was a pleasure to meet you. I get to NY about 3-4 times a year.

Currently I plan to be there for a couple days around April 10th.
