Subject: Tile Warrior From China Delivery

Ghislaine,

A few months ago you purchased a large tile warrior in China. We have finally had the cargo cleared from customs and it is ready for delivery. With your permission, I will give the delivery company your phone numbers (business, home, mobile- your choice), so that you may find a convenient time to have it delivered. I also need to know if you need the tile warrior brought into your apartment or simply dropped off curbside.
