After a day and a half they couldn't find a flaw with me at Mayo. So I am coming to NY (w/Margot) for the week after next. (P Prize Jury and Davos) Then, on Monday night (Feb 4) I (w/o Margot) fly to Miami and will be there all week for a variety of meetings. Are you going to come down with me and play? I may even end up getting a day off for good behavior.

Peter Foy has not died, but he is out of the game. He is replaced by John Parker and Baroness Sarah Hogg. I will get info to find out the story on each. Carnival raised their offer today.

Where are you and how are you and what are you doing?
