I'm 25.8.67 - Thomas is 4.10.93 (going to be 9). Went to the house and got the clothes (I think - they are the right ones as Iara had obviously moved them - they were hanging in the LHS of your normal cupboard - they were an Anne Klein suit, a pink shift dress, a blue shift dress and a cream short sleeve dress - there were also a pair of white and black jeans and a black shirt in there but I left those) I took them to a shop today and they said that they would take the suit but that the dresses were too heavy material wise and not in vogue at present!!! - will try the country and see if we are not so fussy in our second hand clothes!!! House fine Kx
