You know at his age it is difficult to keep some things straight in your head. Clearly Philip is confused. Regarding the inducements - one was something to do with a horse - enough I think to have me stay away from NY! God forbid that I would embarrass Polyp any further with any additional revelations
I feel certain that you will not be missing anything in Arkansas - well I mean apart from the great parties with long Swedish blondes, the fabulous weather, and the scintillating company found just about anywhere else that is - however I believe that there is one major advantage to Arkansas found nowhere else in America. Again for proprieties sake I will keep this one until I see in the flesh -
.
Have fun
