I sent this joke to Morrison,  
I normally do not fwd jokes, but I thought this one applied.

Spoke to the Limited Pilots when we were in London last week,  
they said Morrison wore 2 stripes, not 3 like he told Dave and I.  
He has been filling us with Bull for 1 1/2 years on his stripe issue.  
I would like to plan something special for him, may need your help.
