Pay not attention to people like that - there will always be the odd one that you
wish you had never heard from

Biography for

Michael Moore (II)

 Famous for movie "Roger & Me" 1998 +

Famous for his provocative populist documentaries that are unapologetic

attacks on callous business corporations, opportunistic right-wing

politicians and other social wrongs. Usually wears a baseball cap and

glasses.

Admitted on the Fox News Channel show Hannity and Colmes that he lives in a

\$1.9 million dollar home in New York City. </blockquote></html>
