Thought you might like to know that I am in bed - I feel ghastly - it's a really sexy look - heavy duty sweat pants and a raggedy pinkish top with white tennis socks + a thermal t - If I live I will be back in NY after I make some sort of recovery this week - I think it must have been all that sun and beach in Hawaii - jealous yet? I know you cannot be as you will be on Henry's island next w/e - how discreet you are
