Booboo, I am in PB - we came back form the Island for a few days and may come to  
NY tom - are you around? I am very ill and require immediate medical attention -  
I am suffering from boobooitis - a very serious condition. Without a booboo fix  
the symptoms become very pronounced - a withdrawn far away look, frequent  
sighing, prone to cries into the night that sound like Shakespeare sonnets that  
sound like this - Oh Douglas - oh Douglas - wherefore art though Douglas<br>  
<br>  
Ok<br>  
Well that is it for the Douglas soap for his week<br>

Kisses<br>

Your very own Booboo<br>
