I am looking forward to hearing your voice. <br>  
I have obviously had a much easier time than you - JE and I are still talking  
about the W W H W of our relationship, and what it looks like going forward  
from here with you in my life - he has nothing, had nothing negative to say and  
has simply reviewed all the ways for us to remain close without impeding  
any plans or fun that we may have !<br>  
Have a good dinner<br>

<br>  
&nbsp;&nbsp; I'm so sorry that you have to deal with that.&nbsp; <br>  
<br>  
Just got done with our boat ride.&nbsp;&nbsp; Took the big boat, and it  
broke.&nbsp; Tough<br>  
to park with the engines pointing in different directions but we  
managed.&nbsp;&nbsp; <br>  
<br>  
Taking the kids to dinner now.&nbsp;&nbsp; <br>  
<br>  
Call when I can, not sure what's around the corner but I am sure how I feel<br>  
about you.&nbsp; <br>  
<br>

I could not hear her very clearly but what I could understand is that she <br>  
was asking me to stay away from you as you were working through things - or <br>  
something to that effect. I saved them if you want or need to hear them<br>
