Hey Richard - when I ring your no. it says that your phone is no longer in service! I am coming back to NY tonight and will be there all week. JE mother is

[REDACTED] so all is quite finally on that front. I have now spoken to Doug extensively and can see a way to making the 2 mill that we wanted. We should talk. Are you free for dinner on Thurs? Us talking and the dinner are not related - talking is business, Thursday dinner is fun - a dinner party

Let me know
