Do you think she is trying to send you a message or just deliberately be difficult? Perhaps you should make sure that the nanny reports to you - or at the very least informs you of any and all changes of plans before she takes off or alters the schedule in any way - you might find you need 2 nannies at this point - perhaps at least one that is loyal to you??

It's a interesting concept simular to what Mel Fisher and the Atoucha
treasures of 10 or so years ago. Basically low grade materiels that they can
put a higher margin on by it being treasure and by certifing it to be so.
The Idea work out pretty well for Fisher especially with the coins which is
where he made most of his \$, you may have heard or viewed his exhibit in Key
West. He still has 1000's of these type of emeralds avaiable also. Anything
great he sold to the trade years ago. What you're thought?
