Ok, so I'll check if there is a hotel in Stewart - if not I can always fly you to golf in the chopper which will make it easier for you to get up as I will have to get up too??? It's about 25/35 mins if I remember rightly from PB airport??
Thoughts?

What time do you have to be up to play golf?
Is there a hotel in Stewart as then
 you would not have to travel?

Gmax [REDACTED] shows up, but when you reply it reverts to
the [REDACTED] address.

No there is no problem, I quote a previous email

"Regardless, I am going to see you as soon and as much as I can."

Just will feel horrible leaving you to play golf, and it'll be a fucking
miracle if I make it on time, givenm the fact that it's an hour away.

Just want you to be careful please. I'm more experienced is all,
long
before blackberry's I learned the art of driving with my knee.
I've
literally logged thousands of miles in hands free mode. Used to show
off
how good I was driving without hands.

I would love it if you looked into some assistance, but don't go to any
trouble. So, yes if it's no trouble. Thank you.

Doing homework now, whilst they take turns with the Piano
instructor.

Your still gross + yes you can find one that does all - that is what a job
descriotion is for
 a real butler - I met one that you might like whilst I was in LA last
time
- I would have hired him myself and seriously thought about it. He may still
be available - want me to find out? Want me to see what else is out there -
easy for me to do and no trouble?

PS
Not for you to talk about speeding in car whilst BBing - that is like the
pot calling the kettle black

The smiles of surprise when they kids saw me made everything worthwhile.
That was cool, very cool.

Made hanging with the mommies and nannies worthwhile. I tried not to
interact or even look, but apparently they were all very curious (nosy might
be a better term) as to why I was there.

It's a interesting concept simular to what Mel Fisher and the Atoucha
treasures of 10 or so years ago. Basically low grade materiels that they can
put a higher margin on by it being treasure and by certifing it to be so.
The Idea work out pretty well for Fisher especially with the coins which is
where he made most of his \$, you may have heard or viewed his exhibit in Key
West. He still has 1000's of these type of emeralds avaiable also. Anything
great he sold to the trade years ago. What you're thought?
