No, retard, - poor guy, You probably scared him to death - he has nothing to
compare it to - how could he know who he was dealing with - The two largest
nightmare/picky hotel snobs on the planet

Ok, so no hotels in Stuart - you need to tell me what time golf is then so I can
see if the helicopter I can fly is free at that time + if not which other
helicopter they have available - failing both of those options you will have to
get your arse out of bed and leave me, more like abandon me, to snuggle in your
absence with a pillow
