it was not me calling you so early with a funny story that could not wait. I can only imagine how difficult it must be having to deal w/all the issues that you have to deal with this morning - shrink, cops, kids, and more. Makes my little issues pale. I know you are going to tell me that there is nothing I can do to help, but I am here if there is anything I can do. When you are free, call me as I want to hear your voice.

I miss you and the sense of peace I have when I am with you. I miss the ease, the fun, your warmth, your smile and your arms wrapped around me. I just miss you
