Yes but tricks taught by the teacher are not effective on the teacher.  
Glad you are well, and have a great job. I felt very confident that all would work out well for you -  
may you continue to prosper

Hey,

Good to hear from you. I hope you're doing well and are happy! I recall you  
thinking about having a baby...

Need you ask? I'm managing mega estates... with my experience and everything  
I learned from you I'm quite good.

You amuse me... So, when are you going to arrange for my "internship" as you  
call it? Let's see, who was it that taught me to never take no for an  
answer? Oh yes, I remember, IT WAS YOU!
