Many thanks for your turkey wishes. I am in Palm Beach. I have just returned from a whistle stop tour of Europe and Russia. St Petersburg was beautiful under 3 ft of snow, but so very cold that I thought that I would freeze to one spot if I so much as stopped for a second to admire one of the many views, and instantly then become one of the statues that adorn the city!  
I hope this e mail find you well. I look forward to seeing you when you next come to the states - so do let me know

Meanwhile bye bye and sweet dreams
