Subject: moscow contacts

Dear Miss Maxwell,
I'm sorry that my direct russian connections have dissappeared over time.
Here are some contacts I got through my friends

Acad. Kogan, Yuri Moiseevich, physicist, (Inst Atomic Energy), tel. [REDACTED]
referred by Prof. Leonid Levitov (MIT) [REDACTED]

Acad. Skulachev, Vladimir Petrovich, biologist, Director of Belozersky
Inst of Biology, Moscow State University

(also i believe heads Soros's organization in Moscow)

tel [REDACTED] (Moscow) email: [REDACTED]
referred by Prof. Leonid Levitov (MIT) [REDACTED]

Misha Gelfand, excellent young computational biologist, (National
Research Inst of Genetics), email: [REDACTED]
referred by Dr. Eugene Koonin (NIH) [REDACTED]

I hope this will be of use.

best regards
