Dear Mr.X.,

As per your latest fax to me, please, rest assured that, even though, I have made a reservation for you / your guests to stay at The National Hotel in Moscow for one week period of time, you'll be charged only for the exact amount of days you actually live there, e.g. 3,4 or 5 days - whatever you would decide...One week period of time gives all of you a good/safe choice in making such an important decision....Thanks for your understanding...

Sincerely,  
Fuad
