Subject: Re: fuel truck update

I made progress today with 50/50 fuel truck,. Michael Hancock was helpful, he has a good source for stateside trucks,. Last month I reached out to his business partner Dan Tomlinson regarding fuel trucks, he wasn't helpful, I should have went to Hancock in the first place. I informed Brice that Hancock had a 2800 gallon pristine truck for approx \$38,000 on hold which he was contemplating purchasing, Brice requires a 4800 gallon truck. Hancock said his supplier has larger quantity trucks in the \$50k-\$59,000 range,. I will have more details, specs by Friday.

Thx
Larry
